Subject No 21 Recording letter No L 12651 dated 30th June,45 from the Secretary to Government, Law Department, stating that it has been decided by Government to name the road known as "Church Road" after the late Rajadharma Pravina Mr T R A Thumboo Chetty C I E , and requesting to give effect to the decision very early

Mr A Krishnamurthy Rao said that naming of roads is one of the functions of the Municipal Council under Sec 138 of the City Municipalities Act and the Government have taken away this privilege from the Council in this case by issuing orders themselves The Council would have better appreciated if the request to change the name of the road had come in the form of a suggestion from Government Nobody would deny the great services rendered by late Mr Thumboo Chetty and the Council would have welcomed the opportunity to honour this Statesman The speaker was driving at a question of principle He moved that the Government Order may be recorded with the following observations -

"Recorded with observation that the initiative for the naming of the streets in the City vests with this Council as per Sec 138 of the Municipal Act This Council would have better appreciated the matter if it had come to this Council as a suggestion and the Council given the opportunity to fare the street as mentioned in the Order "

Mr B Narayanaswamy spoke in support of the resolution He was sorry that the Government have interfered in the exercise of this right by the Municipal Council

Srimathi Kaveri Bai and Messrs Agaram Rangiah, T Narasimha Iyengar and T Mariappa also spoke in support of the resolution

The President explained to the House that there was no need to pass any observation in recording the Government Order, as it had come to the Council in the form of a request to give effect to the decision of the Government It did not appear to him that the Government had any idea to usurp the powers of the Council vested under the Act, but nothing prevented Government in exercising the same powers

Messrs Mohamed Sait, F C Devaraj Urs, G Ahamed Khan, and T S Ali Khan, opposed the resolution and observed that there was no necessity to make any observation but that the instructions of Government might simply be given effect to Instances were also quoted in which in the past, Government had changed the names of roads whenever they considered it necessary without previously consulting the Municipal Council

The resolution of Mr A Krishnamurthy Rao was put to vote and passed, 15 voting For and 5 Against Mr Mohamed Sait demanded poll and the result was as under -
